MOSQUITOES

As most people know, the Town voted at Town Meeting to support mosquito control in 2007. MPMS began their field work in May, and continue to monitor mosquitoes and take pools to the state lab on a regular basis for testing.

The single most important step you can take is to protect yourselves and your children from mosquito bites:

- If outside during evening, nighttime, and dawn hours when mosquitoes are most active and likely to bite, children and adults should wear protective clothing such as long pants, long-sleeve shirts, and socks.
- Consider the use of an effective insect repellent, such as one containing DEET (N,N-diethylmethyl-meta-toluamide). No more than 30% DEET should be used on adults and children. Repellents that contain Picaridin or oil of lemon eucalyptus have also been determined to be effective. Use all repellents according to manufacturer's directions. Children should not apply repellents to themselves. Store repellents out of reach of children.

FREMONT OLD HOME DAY SERVICE

Fremont's 129th "Old Home Day Service", sponsored by the Fremont Universalist Society, will be held on Sunday August 19, 2007 at 11:00 am in the Old Meeting House at 464 Main Street. Dr. Henry J Stonie will officiate and there will be special music by the Grace Notes. There will be a Social Hour with refreshments at the Ellis School following the service.

In 1873 Miss Sarah A Chase left a sum of money, the interest to be used for holding a series of meetings each year. In 1878 this fund became available and on April 11th of that year a group of citizens met in the Old Meeting House and organized The Fremont Universalist Society for the purpose of carrying out the provisions of Miss Chase's will.

The services were held in the Democratic Hall for many years and then, for a time, in the Union Church. That church was destroyed in the great fire of 1921. Since that time, the services have been held in this "Old Meeting House". The Universalist Society membership has diminished over the years to near extinction. If you are interested in helping to continue this important all-denomination annual event, please consider joining the Fremont Universalist Society.

OPEN SPACE COMMITTEE NEEDS YOU!

The Fremont Open Space Committee is a group of people who work together toward preserving the natural resources, wildlife habitat, open spaces and rural character of our town. Over the past few years, the Committee has actively worked to acquire the Glen Oakes Conservation Area, and is trying to promote public awareness of the importance of preserving open space.

We are looking for new people to come and see what our committee is about and to encourage you to offer your ideas, talents or knowledge. We have many upcoming projects that are in need of volunteers, such as monitoring programs for town forests, wildlife / bird / plant inventories; committee walks, snowshoeing or cross country skiing, wildlife viewing, and more. If any of these things interest you, we would like to hear from you. You can contact the Open Space Committee by email at openspace@fremont.nh.gov or call one of our co-chairs: Janice O'Brien (679 5545) or Kenn Jones (679 5573).

CAMP FREMONT SUMMER PROGRAM
